Beechcraft Baron 58 and 58A Special Export Configuration (serials TH-385 and After) 1976

in the cockpit with cliff robertson is the third volume in the passion for flight series these short biographies 20 000 words or less tell the stories of notable pilots who inspire young and old alike to take to the skies cliff robertson appeared in more than one hundred roles in his career as an actor including a young john f kennedy in pt 109 his academy award winning performance in charly astronaut buzz aldrin in the autobiographic return to earth henry ford in the man and the machine and most recently uncle ben from spider man cliff always felt more comfortable in a plane than in hollywood his fascination for aviation began as a child he accrued several thousand hours in the cockpit and held single engine land and sea multiengine instrument and commercial licenses as well as balloon gliding and seaplane ratings over his lifetime he owned a variety of planes including a beech baron 58 messerschmitt me 108 stampe sv4 three tiger moths and a spitfire mk ix he gave others the opportunity he had as a youth when he became involved with the experimental aircraft association within eaa he founded the cliff robertson work experience helped launch eaa s young eagles program in 1992 and served as its first national honorary chairman at eaa airventure 2002 he was presented with the inaugural key to the city

award created by eaa and the city of oshkosh to honor distinguished personalities for significant contributions to the promotion and support of eaa airventure oshkosh and the aviation community di freeze interviewed the emmy and academy award winning actor for this short biography prior to his death he reviewed and approved this approximately 5 000 word bio this is not meant to be a comprehensive history of cliff robertson s life but it contains the major milestones in his acting career and aviation history

Flying Magazine 1986-02

the just released book round the world across russia in 21 days 30 years later provides and in depth and historic look at a complex aviation adventure at a historical watershed moment in time only months after the soviet union had collapsed this group of unlikely adventurer took off from santa monica airport july 4 1992 and fly their single and twin engine privately owned general aviation aircraft 18 000 miles across some of the most inhospitable terrain in the world this unique aviation adventure took place in the wake of the dramatic and sudden collapse of the soviet union an event which unfolded during many months in midst of trying to organize this complex aviation adventure the world flight across russia was the idea of marcel large president of raid intl and organizer of many car motorcycle and air rallies for decades prior to our event hatched after taking the first private group of general aviation aircraft into the soviet union in early 1991 he wanted it to go beyond just flying around the world across soviet union designed as a annual event with a different group flying a different route across the soviet union each summer it ended up being across russia and only took place that one honeymoon summer right after the collapse in july 1992 a fascinating part of the story was marcel his wife michelle eric vercesi and paul hollenbeck dealing with soviet and then russian authorities with no one truly knowing who could answer the most pressing questions at hand moscow january 1992 four people were in moscow weeks after the soviet union voted itself out of business trying to organize a world flight across russia confusion reigned supreme six months after hard liners tried to reverse all those gains made during gorbachev s reforms when boris yeltsin and the people made their famous stand for freedom in august 1991 odds were stacked against their success as the world was still reeling from one amazingly startling fact the cold war had just ended the 1st annual around the world air rally was the first western or civilian group of general aviation aircraft to circumnavigate while crossing the entire landmass of russia but that is only part of the story our group was under protection of one of the highest officials vice president ruskoi in an effort to create updated cultural and business ties between old enemies and new friends five days in moscow and across siberia we carried the highest authority in our back pocket but sometimes in some places that was not enough
