atmosphere of suspense and mystery du maurier was immediately established as the queen of the psychological thriller but the more fame this and her other books encouraged the more reclusive daphne du maurier became margaret forster s award winning biography could hardly be more worthy of its subject drawing on private letters and papers and with the unflinching co operation of daphne du maurier s family margaret forster explores the secret drama of her life the stifling relationship with her father actor manager gerald du maurier her troubled marriage to war hero and royal aide boy browning her wartime love affair her passion for cornwall and her deep friendships with the last of her father s actress loves gertrude lawrence and with an aristocratic american woman most significant of all margaret forster ingeniously strips away the relaxed and charming facade to lay bare the true workings of a complex and emotional character whose passionate and often violent stories mirrored her own fantasy life more than anyone could ever have imagined

The Parasites ... Frontispiece by B. R. Linklater ... Illustrations by Christopher Bradbury 1971 daphne du maurier writing identity and the gothic imagination is the first full length evaluation of du maurier s fiction and the first critical study of du maurier as a gothic writer horner and zlosnik argue that the fears at the heart of du maurier s gothic fictions reflect both personal and broader cultural anxieties concerning sexual and social identity using the most recent work in gothic and gender studies they enter the current debate on the nature of female gothic and raise questions about du maurier s relationship to such a tradition

Parasites 1993-01-01 in under spells a buddhist author recounts his simultaneous influences after living out some of the experiences of various authors and their characters on the verge of homelessness in sans abri without shelter he decides not to stay in a shelter but rather outdoors like siddhartha gautama buddha and his followers in the 5th century bc and painfully conquers the elements having studied astronomy and astrology he finally charts his horoscope in little green men and learns how and why his life turned out the way it did in chez moi he journeys again to maine and eastern canada while he has the chance

Les Parasites ("the Parasites"), roman traduit de l'anglais... 1951 as a young guide for sunshine tours armino fabbio leads a pleasant if humdrum life until he becomes circumstantially involved in the murder of an old peasant woman in rome the woman he gradually comes to realise was his family s beloved servant many years ago in his native town of ruffano he returns to his birthplace and once there finds it is haunted by the phantom of his brother aldo shot down in flames in 43 over five hundred years before the sinister duke claudio known as the falcon lived his twisted brutal life preying on the people of ruffano but now it is the twentieth century and the town seems to have forgotten its violent history but have things really changed the parallels between the past and present become ever more evident in du maurier s fiction she unflinchingly exposed hard truths times uk
