investigates automobile repair business to determine if automobile manufacturers create anticompetitive environment causing the inordinately high cost increases for automobile parts and labor to effect repairs authenticity getting your goat this updated second edition now includes additional gto models from 1971 and 1972 determine the proper part numbers with this detailed accurate year by year guide showing you the right way to do a full scale restoration over 1 000 photos part numbers codes and color charts from original factory literature point out what goes where what parts are good or bad and the best way to put them together 2nd ed the standard catalog of chevrolet 1912 2003 delivers everything a chevy enthusiast or historian needs you ll find 448 pages packed with more than 2 000 photos history production figures and updated pricing information the standard catalog of chevrolet 1912 2003 includes a current market price guide showing values in old cars report price guide s comprehensive 1 to 6 grading scale complete year by year model listings with history and technical details thousands of photos for easy model identification option lists engine information original pricing and production information this book is a must for everyone that loves chevys in standard catalog of pontiac 1926 2002 collectors can speed through thousands of listings to obtain specifications production data and serial number information for their favorite pontiacs every pontiac model ever made from 1926 to 2002 is listed along with the predecessors to pontiac the oakland cars produced from 1908 1931 over 500 photographs help collectors clearly identify the pontiacs through the years current collector values are provided in six grades of condition thousands of listings of pontiacs made from 1926 2002 includes new listings for models made from 1996 to 2002 including bonneville sse grand prix gtp ram air firebirds aztec and vibe specifications production data serial number information and much more and features coverage of oakland cars produced from 1908 1931 chevrolet s answer to pontiac s gto the chevelle was general motors muscle car for the masses this motorbooks original series title details factory correct replacement parts it contains information on serial and engine numbers paint codes trim options and technical tips the 1973 oil crisis forced the american automotive industry into a period of dramatic change marked by stiff foreign competition tougher product regulations and suddenly altered consumer demand with gas prices soaring and the economy in a veritable tailspin muscle cars and the massive need for speed engines of the late 60s were out and fuel efficient compacts were in by 1980 american manufacturers were churning out some of the most feature laden yet smallest and most fuel efficient cars they had ever built this exhaustive reference work details every model from each of the major american manufacturers from model years 1973 through 1980 including various captive imports e g dodge s colt built by mitsubishi within each model year it reports on each manufacturer s significant news and details every model offered its specifications powertrain offerings prices standard features major options and production figures among other facts the work is heavily illustrated with approximately 1 300 photographs embrace the thundering horsepower of firebird pontiac s number one performance car in this full color reference featuring comprehensive coverage of every firebird built from 1967 to 2002 owners and fans will enjoy tracking the evolution through hundreds of color photos while learning about their favorite models more than 725 model and price listings provide vehicle descriptions serial number explanations original price and weight charts equipment and available production data engine details historical facts vin information and collector values for 1967 to 1995 models the pricing section uses the old cars price guide s 1 to 6 price condition rating scale all firebird models are covered including base firebird firebird 326 formula firebird firebird 400 ram air 400 esprit trans am and slp bandit firehawk series and more the standard catalog of ford delivers all the details you need to enjoy your hobby and love your ford inside you ll find information about all of the legendary fords built from 1903 2002 mustangs thunderbirds the model t and a falcons fairlanes skyliners and more this fact filled book provides collector market values for fords made during 1903 2002 it also gives ford collectors the data they need to identify buy restore and invest in collectable fords including a current market price guide showing values in old cars report price guide s comprehensive 1 to 6 grading scale complete year by year model listings with history and technical details thousands of photos for easy model identification and option lists engine information original pricing and production information gm s 1 2 punch the argument will never have a winner which car was cooler the chevrolet camaro or the pontiac firebird the two legendary gm f bodies had so much in common including the year they were born that they would be forever joined at the hip they were wildly popular with the car buying public and came in so many varieties that almost any driver could find happiness with a camaro or firebird alas all good things usually come to an end and gm pulled the plug on the two legendary nameplates

in 2002 after 35 great years after pontiac s demise the firebird and trans am may be gone for good certainly as poncho offspring but thankfully the camaro is back by popular demand in camaro and firebird gm s power twins muscle car expert john gunnell traces the year by year development of both legendary cars with more than 225 color photos and fact laden yearly bios gunnell packs 38 model years into one easy to use resource this fully illustrated highly detailed restoration guide illustrates how to make your mustang as original as it can be from the resumption of automobile production at the close of world war ii through the 1950s the american auto industry would see the births and deaths of several manufacturers great technological advances and an era of dramatic styling as a prospering nation asserted its growing mobility cars of this period are among the most iconic vehicles ever built in the united states the 1949 ford the remarkable studebaker designs of 1950 and 1953 the 1955 1957 chevroleets the forward look chrysler products the ill fated edsel and many others this comprehensive reference book details every model from each of the major manufacturers including independents such as kaiser frazer and crosley but excluding very low volume marques such as tucker from model years 1946 through 1959 year by year it provides an overview of the industry and market followed by an individual report on each company its main news for the year introductions or cancellations of models new engines and transmissions advertising themes sales trends etc its production figures and market status and its powertrain offerings paint colors and major options the company s models are then detailed individually with such information as body styles prices dimensions and weights standard equipment and production figures nearly 1 000 photographs are included from the first six cylindered mustang in 1962 through world beating boss and shelby models to 2015 s all new
