EBOOK: Essentials of Investments: Global Edition Zvi Bodie,Alex Kane,Alan Marcus,2013-01-16 Introducing... Essentials of Investments, 9th Global Edition, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and fallout from the recent financial crisis and provides increased content on the changes in market structure and trading technology. Enhancements to this new Global Edition include: - New 'On the market front' boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios from across the world to help students develop their problem solving skills. Regional examples include Hutchinson Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of Connect Plus Finance, McGraw-Hill's web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition.

The Essentials of Finance and Accounting for Nonfinancial Managers Edward Fields, 2016-03-25 They say that

numbers don't lie, but what if you can't even read them? Discover how great managers use financial data to guide decisions. Financial analysis reports, budgeting reports, forecasting and measuring reports--sometimes they all run together, don't they? The Essentials of Finance and Accounting for Nonfinancial Managers is here to help. This new edition of a business classic demystifies finance and accounting and gives managers the tools they need to make better decisions. Complete with fresh insights, case studies, and street-level exercises to help non-numbers people master the numbers game, this guide reveals how to: Understand the fundamentals of financial analysis, budgeting, and forecasting Interpret balance sheets, income/cash flow statements, and annual reports Sift through conflicting data to find the most relevant figures Locate key information about competitors and suppliers Analyze variances and calculate break-even points and other vital measures The numbers are too important to allow others to translate for you. The Essentials of Finance and Accounting for Nonfinancial Managers shows you how to read them yourself. Imagine the impact on future decisions when you grasp not only what the numbers mean but can use that insight to drive your business forward.
