trying to pass your series 6 exam pass the 6 is written with the reader always in mind this series 6 exam study guide uses plain english and concise explanations as it ticks off the items mentioned on the finra series 6 exam outline point by point notice that there are four chapters in our study material which correspond to the four sections of the finra series 6 exam outline we try to keep things as easy as possible in our study guides because the series 6 exam itself is anything but to reduce your frustration in getting your series 6 license we try to make sure each sample question in our pass the 6 practice exam question bank is explained within this series 6 textbook in fact we encourage you to use this study guide while working through the series 6 sample questions when you encounter a tough practice question you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved on the series 6 remember that the series 6 is not a memorization test but rather a competency exam too many series 6 candidates go to the

testing center expecting to simply recognize a few vocabulary terms when in fact passing your series 6 requires you to work with the information at a much deeper level than many assume that's why we explain things in a way you'll both understand and remember at the testing center it takes more work on our end but we feel our job is to make things easier on your end we also take what you learn in the pages of this series 6 exam study guide to a higher level by presenting you with well over 700 challenging questions in our pass the 6 practice exam question bank however our sample questions are not designed to merely trick you rather our series 6 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the series 6 exam be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow for an extra edge try writing your own variations of our series 6 practice questions in this same notebook something our tutoring clients have found extremely helpful pass the 6 is your guide to a passing score on the series 6 exam this textbook is at the same time in depth and easy to read we don't skimp on the details found on the finra series 6 exam outline rather we skimp on the filler found in many of the more tedious license exam manuals on the market to give yourself an edge on this difficult license exam buy this book and then go to examzone.com to buy the pass the 6 practice exam question bank and other series 6 study materials the series 6 exam is not easy the best time to get started is now
