In Our Time Ernest Hemingway,2022-01-25 In Our Time is the title of Ernest Hemingway's first collection of short stories, published in 1925 by Boni & Liveright, New York, and of a collection of vignettes published in 1924 in France titled in our time. Its title is derived from the English Book of Common Prayer, Give peace in our time, O Lord. The stories's themes - of alienation, loss, grief, separation - continue the work Hemingway began with the vignettes, which include descriptions of acts of war, bullfighting and current events. The collection is known for its spare language and oblique depiction of emotion, through a style known as Hemingway's theory of omission (iceberg theory). According to his biographer Michael Reynolds, among Hemingway's canon, none is more confusing ... for its several parts - biographical, literary, editorial, and bibliographical - contain so many contradictions that any analysis will be flawed.
