St. John D. Seymour, Harry L. Neligan

True Irish Ghost Stories St. John Drelincourt, 2018-06-29 True Irish Ghost Stories by St. John D. (St. John Drelincourt) Seymour CHAPTER I HAUNTED HOUSES IN OR NEAR DUBLIN Of all species of ghostly phenomena, that commonly known as haunted houses appeals most to the ordinary person. There is something very eerie in being shut up within the four walls of a house with a ghost. The poor human being is placed at such a disadvantage. If we know that a gateway, or road, or field has the reputation of being haunted, we can in nearly every case make a detour, and so avoid the unpleasant locality. But the presence of a ghost in a house creates a very different state of affairs. It appears and disappears at its own sweet will, with a total disregard for our feelings: it seems to be as much part and parcel of the domicile as the staircase or the hall door, and, consequently, nothing short of leaving the house or of pulling it down (both of these solutions are not always practicable) will free us absolutely from the unwelcome presence. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

True Irish Ghost Stories St. John Drelincourt Seymour, 1986-02-01 This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

True Irish Ghost Stories St. John D. Seymour, Harry L. Neligan, 2009-02-01 This book had its origin on this wise. In my

Irish Witchcraft and Demonology, published in October 1913, I inserted a couple of famous 17th century ghost stories which described how lawsuits were set on foot at the instigation of most importunate spirits. It then occurred to me that as far as I knew there was no such thing in existence as a book of Irish ghost stories. Books on Irish fairy and folk-lore there were in abundance-some of which could easily be spared-but there was no book of ghosts. And so I determined to supply this sad omission.

True Irish Ghost Stories Harry Neligan, St John D Seymour, 2024-10-22 True Irish Ghost Stories, a classical book, has been considered important throughout the human history, and so that this work is never forgotten we at Alpha Editions have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

True Irish Ghost Stories St John D Seymour, Harry L Neligan, 2024-03-05 Faithfully recorded from real newspaper accounts, interviews, and personal letters, St. John Seymour and Harry Neligan eagerly recount the eery and enigmatic ghost-sightings of the Irish people. In these masterfully arranged pages, death-warnings, dismal dreams, and haunted house promise to equally entice and perturb. Organized in chapters, Seymour and Neligan brilliantly manage to preserve and uphold an unparalleled amount of respect for these chilling accounts. Delve into the ominous world of haunts, spooks, and shrieks at your own risk.

True Irish Ghost Stories John D. Seymour, St John D Seymour, 2017-01-12 There are numerous books about Irish Fairies, but this was one of the first to focus on the Irish Ghost. The text visits haunted houses from one end of the island to the other. We learn about garden-variety ghosts as well as poltergeists and Banshees, and find out what to do if a 'Headless Coach' shows up. Seymour solicited the stories from newspaper readers, and many of them are from respectable military, clergymen, and gentry. Seymour also wrote Irish Witchcraft and Demonology. True Irish Ghost Stories is a unique and very entertaining read, particularly for fans of Irish tales, as well as the paranormal investigator.

Irish Witchcraft and Demonology John D Seymour, 2020-11-04 It is said, though we cannot vouch for the accuracy of the statement, that in a certain book on the natural history of Ireland there occurs a remarkable and oft-quoted chapter on Snakes-the said chapter consisting of the words, There are no snakes in Ireland. In the opinion of most people at the present day a book on Witchcraft in Ireland would be of equal length and similarly worded, except for the inclusion of the Kyteler case in the town of Kilkenny in the first half of the fourteenth century. For, with the exception of that classic incident, modern writers seem to hold that the witch-cult never found a home in Ireland as it did elsewhere. For example, the article on Witchcraft in the latest edition of the Encyclopædia Britannica mentions England and Scotland, then passes on to the Continent, and altogether ignores this country; and this is, in general, the attitude adopted by writers on the subject. In view

of this it seems very strange that no one has attempted to show why the Green Isle was so especially favoured above the rest of the civilised world, or how it was that it alone escaped the contracting of a disease that not for years but for centuries had infected Europe to the core. As it happens they may spare themselves the labour of seeking for an explanation of Ireland's exemption, for we hope to show that the belief in witchcraft reached the country, and took a fairly firm hold there, though by no means to the extent that it did in Scotland and England. The subject has never been treated of fully before, though isolated notices may be found here and there; this book, however imperfect it may be, can fairly claim to be the first attempt to collect the scattered stories and records of witchcraft in Ireland from many out-of-the-way sources, and to present them when collected in a concise and palatable form. Although the volume may furnish little or nothing new to the history or psychology of witchcraft in general, yet it may also claim to be an unwritten chapter in Irish history, and to show that in this respect a considerable portion of our country fell into line with the rest of Europe. - Taken from *Irish Witchcraft and Demonology* written by St. John D. Seymour

Irish Witchcraft & Demonology John D. Seymour, 2002-03 In St. John D. Seymour's classic study of Ireland's supernatural history, the most famous witches and eerie legends of Ireland are recounted. Featuring a chronology of sorcery, from the case of Dame Alice Kyteler in the Middle Ages to a trial for witchcraft in a 1911 murder court, Seymour analyzes the accounts of accused men and women, their familiars and spellcraft, and associated demons and devils. This book will be a welcome read to lovers of occult history.

BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour Introduction

In today's digital age, the availability of

BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental

impact associated with book production and transportation. Furthermore, BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing BOOKtrue Irish Ghost Stories Kindle Edition St

John D Seymour books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, BOOKtrue Irish Ghost Stories Kindle Edition St John D Seymour books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take
