**The Beginner's Guide to Hearing God** James W. Goll,2008-04-01 Does God really speak today? Will He speak personally to me? If I listen, will I understand what He says? For those desiring to hear God, this book will show how anyone can both listen and speak to God. In order to grow in our relationship with God, we must draw near to Him, trusting that He wants to speak to us personally. Find out how in *The Beginner's Guide to Hearing God*. In this hands-on guide, Jim Goll clearly lays out biblical principles for listening to God with real-life illustrations that will inspire and excite readers to listen more closely with expectant hearts. Discover how to move from a hard-to-receive (HTR) position to one Goll calls easy-to-receive (ETR). Learn how to overcome personal obstacles that block God's voice and avoid being misled by words that aren't truly coming from Him. For beginners and those who have been listening to God for years.

**The Making of Evangelical Spirituality** Jason Cherry,2023-01-05 How did it come to be that evangelicals expect individualized, extrabiblical revelation from God? What has happened culturally, historically, and theologically to make this the ubiquitous assumption of evangelical spirituality? *The Making of Evangelical Spirituality* is a compound of history and theology applied to the subject of evangelical spirituality—specifically, the phenomenon of evangelicals thinking “God spoke to me” in a still, quiet voice. The story is complex, multifaceted, and urgently in need of telling. Few Christians know the history of the spiritual expectations heaped upon them. Few know the individuals who gave shape to evangelical spirituality, spiritual chieftains who were often guided by uniquely ephemeral, social, and cultural forces. There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality. Instead, it's the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum. This book is the story of those hermits, monks, reformers, heretics, politicians, outcasts, and preachers who gave shape. Failure to tell the story now risks it becoming just another part of historical compost, threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul.

**More Than a Sunday Faith** Chris Suitt,2012-07 Christianity, as it is being practiced today, is unsatisfying to most Christians. To those watching their lives, it can also be seen as worthless at best and hypocritical at worst. Jesus didn't come just to give believers eternal life, but to radically change their lives from the inside out starting now! How He does this was the question posed by the book's author, whose family and pastoral career were spiraling downward. The answer he discovered was the Set Free Nowww principles, which were biblical tools that transformed his life. You too can experience satisfaction, significance, and security each day, not just on Sunday, as you learn to process daily life using these biblical tools. *More Than a Sunday Faith* also gives you a way to practice them so you can have a faith that works in your real life situations. As this happens, you not only will experience the life Jesus offers, but those watching your life will be thirsty for

Him as well.

When God Talks Back T.M. Luhrmann, 2012-03-27 How does God become and remain real for modern evangelicals? How are rational, sensible people of faith able to experience the presence of a powerful yet invisible being and sustain that belief in an environment of overwhelming skepticism? T. M. Luhrmann, an anthropologist trained in psychology and the acclaimed author of *Of Two Minds*, explores the extraordinary process that leads some believers to a place where God is profoundly real and his voice can be heard amid the clutter of everyday thoughts. While attending services and various small group meetings at her local branch of the Vineyard, an evangelical church with hundreds of congregations across the country, Luhrmann sought to understand how some members were able to communicate with God, not just through one-sided prayers but with discernable feedback. Some saw visions, while others claimed to hear the voice of God himself. For these congregants and many other Christians, God was intensely alive. After holding a series of honest, personal interviews with Vineyard members who claimed to have had isolated or ongoing supernatural experiences with God, Luhrmann hypothesized that the practice of prayer could train a person to hear God's voice—to use one's mind differently and focus on God's voice until it became clear. A subsequent experiment conducted between people who were and weren't practiced in prayer further illuminated her conclusion. For those who have trained themselves to concentrate on their inner experiences, God is experienced in the brain as an actual social relationship: his voice was identified, and that identification was trusted and regarded as real and interactive. Astute, deeply intelligent, and sensitive, *When God Talks Back* is a remarkable approach to the intersection of religion, psychology, and science, and the effect it has on the daily practices of the faithful.

*God Encounters* James W. Goll, Michal Ann Goll, 2011-07-28 GOD ENCOUNTERS ARE FOR EVERYONE! Every sincere seeker of the Lord can have God encounters! Journey with James and Michal Ann Goll as they share how they discovered a lifestyle of God encounters. You will enjoy a new depth of fellowship with God as you find yourself enjoying a new and refreshing intimacy with your Lord; an intimacy that brings the most powerful deliverance and healing in your life. You will see how God's tangible presence will: Free you from guilt Free you from bitterness and fear Heal you from pain of the past Open your heart to hear and respond to God like never before. Jim and Michal Ann Goll are seasoned prophets, recognized internationally for their work. Their exhaustive research on this topic, endlessly backed up by Scripture, is evident throughout this book. *God Encounters* is an excellent primer on how to move into deeper realms of the prophetic and supernatural as well how to reap the benefits of God encounters.

The Recycled Pharisee Richard E. Colby, 2012-08 Some people may think that Pharisees are only found in the Bible. However, there are pharisees in every culture and generation, people who because of their status, education, cultural advantage, or position believe they have earned the right to be right. I was such a person for the first half of my life. I believed that because of my role as a priest in the Episcopal Church, it was my job to be right so that I could help others
