

EPUBmastering The Art Of French Cooking Vol 2 Julia Child

Julia Child,Louissette Bertholle,Simone Beck

Mastering the Art of French Cooking, Volume 2 Julia Child,2012-04-03 The beloved sequel to the bestselling classic, *Mastering the Art of French Cooking, Volume II* presents more fantastic step-by-step French recipes for home cooks. Working from the principle that “mastering any art is a continuing process,” Julia Child and Simone Beck gathered together a brilliant selection of new dishes to bring you to a yet higher level of culinary mastery. They have searched out more of the classic dishes and regional specialties of France, and adapted them so that Americans, working with American ingredients, in American kitchens, can achieve the incomparable flavors and aromas that bring up a rush of memories—of lunch at a country inn in Provence, of an evening at a great Paris restaurant, of the essential cooking of France. From French bread to salted goose, from peasant ragoûts to royal Napoleons, recipes are written with the same detail, exactness, and clarity that are the soul of *Mastering the Art of French Cooking*.

Mastering the Art of French Cooking, Volume 1 Julia Child,Louissette Bertholle,Simone Beck,2011-10-05 NEW YORK TIMES BESTSELLER • The definitive cookbook on French cuisine for American readers: What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, 'If you can read, you can cook.' —Entertainment Weekly “I only wish that I had written it myself.” —James Beard Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, *Mastering the Art of French Cooking* offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia Child, Simone Beck, and Louissette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes—from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations—bound to increase anyone’s culinary repertoire. “Julia has slowly but surely altered our way of thinking about food. She has taken the fear out of the term ‘haute cuisine.’ She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique, and she has elevated our consciousness to the

refined pleasures of dining. —Thomas Keller, *The French Laundry*
