Fundamentals of Federal Tax Procedure and Enforcement

2019-02-01

written by a professor with experience on all sides of federal tax disputes fundamentals of federal tax procedure and enforcement provides students with a guide through the thicket of rules and procedures that comprise the federal tax system helping them make sense of a seemingly random collection of dense rules and seemingly inaccessible entities governing federal tax procedure and enforcement for ease of teaching and learning professor madison breaks down the rules and concepts of tax procedures and enforcement into four distinct parts based on the decisions and determinations the parties to a tax dispute must make as well as the rules affecting those decisions professors and students will benefit from a new perspective on how to present the tax system to students a bird s eye view of the tax system while drilling deep into essential topics a standalone resource all necessary statutes and regulations within the text probing notes and questions after each case that help put the cases in context a balance of technical language less technical than the highly technical language used by tax practitioners but more technical than law students have yet been exposed to in their legal studies

A History of Masculinity 2022-02-03

exhilarating a work of scholarship but also inspiration go and read jablonka and change the world christina patterson sunday times an unexpected bestseller in france it has sparked conversations challenges a highly acclaimed bestselling work from one of france s preeminent historians what does it mean to be a good man to be a good father or a good partner a good brother or a good friend in this insightful analysis social historian ivan jablonka offers a re examination of the patriarchy and its impact on men ranging widely across cultures from mesopotamia to confucianism to christianity to the revolutions of the eighteenth century jablonka uncovers the origins of our patriarchal societies he then offers an updated model of masculinity based on a theory of gender justice which aims for a redistribution of gender just as social justice demands the redistribution of wealth arguing that it is high time for men to be as involved in gender justice as women jablonka shows that in order to build a more equal and respectful society we must gain a deeper understanding of the structure of patriarchy and reframe the conversation so that men

define themselves by the rights of women widely acclaimed in France this is an important work from a major thinker

The Aesthetical Writings of Giacinto Scelsi 2023-01-09

giacinto scelsi an innovative and often controversial force in modern music has been the subject of a vast amount of literary criticism philosophical discussion and performance for the first time this volume brings selected writings spanning from the early 1940s to 1987 into English with historical social and cultural contextualization

Optional Choice of Court Agreements in Private International Law

2019-10-18

this book highlights the importance of optional choice of court agreements and the need for future research and legal development in this area the law relating to choice of court agreements has developed significantly in recent years reflecting their increased use in practice however most recent legal developments concern exclusive choice of court agreements in comparison optional choice of court agreements also called permissive forum selection clauses and non exclusive jurisdiction clauses have attracted little attention from lawmakers or commentators this collection is comprised of 19 national reports providing a critical analysis of the legal treatment of optional choice of court agreements including asymmetric choice of court agreements under national laws as well as under multilateral instruments it also includes a general report offering an overview of this area of the law and a synthesis of the findings of the national reporters the contributions to this collection show that the legal treatment of optional choice of courts differs between legal systems in some countries the law on the effect of optional choice of court agreements is at an early stage in its development whereas in others the law is relatively advanced irrespective of this the national reporters identify unresolved issues with the effect of optional choice of court agreements where the law is unclear or the cases are conflicting demonstrating that this topic warrants greater attention this book is of interest to judges legislators lawyers academics and students who are concerned with private international law and international civil procedure

The Global Politics of Jazz in the Twentieth Century *2018-02-01*

from the mid 1950s to the late 1970s jazz was harnessed as america s sonic weapon to promote an image to the world of a free and democratic america dizzy gillespie dave brubeck duke ellington and other well known jazz musicians were sent around the world including to an array of communist countries as jazz ambassadors in order to mitigate the negative image associated with domestic racial problems while many non americans embraced the americanism behind this jazz diplomacy without question others criticized american domestic and foreign policies while still appreciating jazz thus jazz despite its popularity also became a medium for expressing anti americanism this book examines the development of jazz outside america including across diverse historical periods and geographies shedding light on the effectiveness of jazz as an instrument of state power within a global political context saito examines jazz across a wide range of regions including america europe japan and communist countries his research also draws heavily upon a variety of sources primary as well as secondary which are accessible in these diverse countries all had their unique and culturally specific domestic jazz scenes but also interacted with each other in an interesting dimension of early globalization this comparative analysis on the range of unique jazz scenes and cultures offers a detailed understanding as to how jazz has been interpreted in various ways according to the changing contexts of politics and society around it often providing a basis

for criticizing america itself furthering our appreciation of the organic relationship between jazz and global politics saito reconsiders the uniqueness of jazz as an exclusively american music this book will be of interest to students and scholars of international relations the history of popular music and global politics the introduction of this book is freely available as a downloadable open access pdf at taylorfrancis com under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license

Edible Economics 2015-06-13

radio 4 book of the week economic thinking about globalisation climate change immigration austerity automation and much more in its most digestible form for decades a single free market philosophy has dominated global economics but this is bland and unhealthy like british food in the 1980s when bestselling author and economist ha joon chang first arrived in the uk from south korea just as eating a wide range of cuisines contributes to a more interesting and balanced diet so too is it essential we listen to a variety of economic perspectives in edible economics chang makes challenging economic ideas more palatable by plating them alongside stories about food from around the world he uses histories behind familiar food items where they come from how they are cooked and consumed what they mean to different cultures to explore economic theory for chang chocolate is a life long addiction but more exciting are the insights it offers into post industrial knowledge economies and while okra makes southern gumbo heart meltingly smooth it also speaks of capitalism s entangled relationship with freedom and unfreedom explaining everything from the hidden cost of care work to the misleading language of the free market as he cooks dishes like anchovy and egg toast gambas al ajillo and korean dotori mook ha joon chang serves up an easy to digest feast of bold ideas myth busting witty and thought provoking edible economics shows that getting to grips with the economy is like learning a recipe if we understand it we can change it and with it the world

ERCP and EUS 2017-03-09

this text provides a comprehensive review of ercp and eus and the clinical conditions for which they are employed presented in a case based format with accompanying videos it will serve as a valuable practical clinical resource for gastroenterologists with an interest in ercp and eus the text highlights major techniques involved in ercp reviews complications and recent data on preventing post ercp pancreatitis and discusses important issues in training in ercp including use of endoscopic simulators and assessment of competency as emphasized in the new acgme guidelines for biliary diseases new techniques for managing biliary stones novel technologies for diagnosing indeterminate biliary strictures and new devices for treating benign and malignant strictures are also highlighted for pancreatic diseases advances in minimally invasive endoscopic techniques for pancreatic stones and strictures and management of the complications of pancreatitis are reviewed furthermore ercp is not limited by age pregnancy or history of abdominal surgeries and special considerations particular to these patient populations are also discussed the eus chapters review the breadth of equipment available for performing eus and eus fna detail the technique of performing eus fna and explore pertinent issues with training and assessing competency analogous to ercp training valuable insights on the basics of cytopathology relevant to the endosonographer are summarized the classic indication for eus of staging luminal cancers is examined in detail while pancreaticobiliary indications are discussed highlighting newer adjunctive technologies including elastography and contrast enhanced eus although in its infancy the brave new world of therapeutic eus is explored with a focus on endoscopic necrosectomy eus guided biliary and pancreatic access as well as the exciting possibilities of eus guided radiofrequency ablation and injection of anti tumor agents ercp and eus a case based approach will serve as a very useful resource for physicians who perform or refer patients for ercp and eus it provides a concise yet comprehensive summary of the current status of ercp and eus that will help guide patient management and stimulate clinical research

The Council of Europe 2024-07-11

the council of europe of which all european states are members plays a pivotal role in the promotion and protection of human rights democracy and the rule of law in europe bringing together specialist scholars and practitioners the council of europe its laws and policies offers profound insights into the functioning of

the organization the organization's primary and secondary law its institutional structure and its far reaching fields of activities are comprehensively and systematically analysed this volume investigates the impact of the council's activities within the national legal systems of the member states and the dense web of relationships between the council of europe and other international organisations an important reference work on one of the most influential organizations in europe the book concludes that the council of europe has played a considerable role in the constitutionalization process of regional public international law

Party Status to Armed Conflict in International Law *2023-10-04*

the question of what constitutes an armed conflict has featured prominently in international law debates however international lawyers have paid less attention to the inextricable question of who is engaged in a conflict focusing solely on whether there is an armed conflict against this backdrop alexander wentker's party status to armed conflict in international law explores why it matters and how it is established that a state international organization or armed group is a party to an armed conflict the first part of the book demonstrates that party status is central at all levels of the international legal regulation of armed conflicts with parties to armed conflict being both key addressees of international law and central reference points for regulating individuals and third parties in response to increasingly widespread cooperation practices the book's second part advances an analytical framework for identifying parties to conflicts with multiple parties on the same side or co parties party status to armed conflict in international law is aimed at academics students and practitioners seeking to understand how armed conflicts are legally regulated it presents readers with a refined account of how responsibilities are allocated in armed conflicts enabling deeper insight into how international law can best respond to the realities of contemporary conflicts

Trouble With Gender *2012-04*

sex used to rule now gender identity is on the throne sex survives as a cheap imitation of its former self assigned at birth on a spectrum socially constructed and definitely not binary apparently quite a few of us fall outside the categories male and female but gender identity is said to be universal we all have one humanity used to be cleaved into two sexes whereas now the crucial division depends on whether our

gender identity aligns with our body if it does we are cisgender if it does not we are transgender the dethroning of sex has meant the threat of execution for formerly noble words such as woman and man in this provocative bold and humane book the philosopher alex byrne pushes back against the new gender revolution drawing on evidence from biology psychology anthropology and sexology byrne exposes the flaws in the revolutionary manifesto the book applies the tools of philosophy accessibly and with flair to gender sex transsexuality patriarchy our many identities and our true or authentic selves the topics of trouble with gender are relevant to us all this is a book for anyone who has wondered is sex binary why are men and women different what is a woman or simply where can i go to know more about these controversies revolutions devour their own children and the gender revolution is no exception trouble with gender joins the forefront of the counter revolution restoring sex to its rightful place at the centre of what it means to be human

Why the Left Loses 2013-01-31

around the world parties of the left and center left have been struggling losing ground to right wing parties and various forms of reactionary populism this book brings together a range of leading academics and experts on social democratic politics and policy to offer an international comparative view of the changing political landscape using case studies from the united kingdom germany spain france australia and new zealand contributors argue that despite different local and specific contexts the mainstream center left is beset by a range of common challenges analysis focuses on institutional and structural factors the role of key individuals and the atrophy of progressive ideas as interconnected reasons for the current struggles of the center left

Africa in History 2013-09-02

the classic history of africa from the green sahara and the iron age through the 20th century basil davidson s africa in history was a landmark in the restoration of african history for centuries the myth had

prevailed that africa had no history prior to direct contact with european civilization this new edition of basil davidson s book not only eradicated these myths but takes account of much of the most recent scholarship about native african civilizations

1914: Fight the Good Fight 2013-07-31

no part of the great war compares in interest with its opening wrote churchill the measured silent drawing together of gigantic forces the uncertainty of their movements and positions the number of unknown and unknowable facts made the first collision a drama never surpassed in fact the war was decided in the first twenty days of fighting and all that happened afterwards consisted in battles which however formidable and devastating were but desperate and vain appeals against the decision of fate on of britain s foremost military historians and defence experts tackles the origins and the opening first few weeks of fighting of what would become known as the war to end all wars intensely researched and convincingly argued allan mallinson explores and explains the grand strategic shift that occurred in the century before the war the british army s regeneration after its drubbings in its fight against the boer in south africa its almost calamitous experience of the first twenty days fighting in flanders to the point at which the british expeditionary force the old contemptibles took up the spade in the middle of september 1914 for it was then that the war changed from one of rapid and brutal movement into the more familiar vision of trench warfare on western front in this vivid compelling new history mallinson brings his experience as a professional soldier to bear on the circumstances events actions and individuals and speculates tantalizingly on what might have been

Prepositional Clauses in Spanish 2020-01-15

this book presents an analysis of spanish prepositional clauses complement and adverbial clauses the goal is to examine the syntax and evolution of those clauses and their components in spanish contrasting them with other european languages prepositional argument and adjunct clauses are grammatical in present day spanish however medieval spanish only attests the latter the former were not frequent until the 16th 17th centuries both types are examined in their syntactic evolution and properties including clausal nominality argumenthood nature of prepositions and optionality latin and portuguese french and

italian both in their present day and past forms are studied and compared to spanish likewise several germanic languages are surveyed these languages show variable grammatical degrees of the comparison reveals aspects which challenge the commonly accepted conclusions about the clausal patterns of each language this study offers a novel approach to the analysis of spanish prepositional clauses by looking at its properties and formation not only from within but also in contrast with other languages it argues for cross linguistically valid categories and explanations in order to comprehend the properties of human language

Les Misérables *2013-12-02*

a brilliant modern translation by christine donougher of victor hugo s thrilling masterpiece with an introduction by robert tombs this is the best translation of the novel available in english as recommended by david bellos in the novel of the century victor hugo s tale of injustice heroism and love follows the fortunes of jean valjean an escaped convict determined to put his criminal past behind him but his attempts to become a respected member of the community are constantly put under threat by his own conscience and by the relentless investigations of the dogged policeman javert it is not simply for himself that valjean must stay free however for he has sworn to protect the baby daughter of fantine driven to prostitution by poverty a magnificent achievement it reads easily sometimes racily and hugo s narrative power is never let down an almost flawless translation which brings the full flavour of one of the greatest novels of the nineteenth century to new readers in the twenty first william doyle times literary supplement the year s most interesting publication from penguin classics was a new translation by christine donougher of the novel we all know as les misérables you may think that 1 300 pages is a huge investment of time when the story is so familiar but no adaptation can convey the addictive pleasure afforded by victor hugo s narrative voice by turns chatty crotchety buoyant and savagely ironical it s made to seem so contemporary and fresh in donougher s rendering that the book has all the resonance of the most topical state of the nation novel telegraph christine donougher s seamless and very modern translation of les misérables has an astonishing effect in that it reminds readers that hugo was going further than any

dickensian lament about social conditions the wretched touches the soul herald scotland

Rediscovering Interlanguage 2013-07-04

Culinary Linguistics 2013-03-04

language and food are universal to humankind language accomplishes more than a pure exchange of information and food caters for more than mere subsistence both represent crucial sites for socialization identity construction and the everyday fabrication and perception of the world as a meaningful orderly place this volume on culinary linguistics contains an introduction to the study of food and an extensive overview of the literature focusing on its role in interplay with language it is the only publication fathoming the field of food and food related studies from a linguistic perspective the research articles assembled here encompass a number of linguistic fields ranging from historical and ethnographic approaches to literary studies the teaching of english as a foreign language psycholinguistics and the study of computer mediated communication making this volume compulsory reading for anyone interested in genres of food discourse and the linguistic connection between food and culture now open access as part of the knowledge unlatched 2017 backlist collection

Feminist Perspectives on Public Law 2020-06-26

feminist scholarship can provide public lawyers with the critical tools and insights to respond to these new challenges this collection begins a dialogue between public law and feminism by offering a range of perspectives on contemporary public law themes and topics

The EU Regulations on the Property Regimes of International Couples

2018-07-13

this article by article commentary on eu regulations 2016 1103 and 2016 1104 critically examines the uniform rules adopted by the eu to deal with the property relations of international couples both married and in registered partnerships written by experts from a variety of european countries it offers a comprehensive side by side discussion of the two regulations to provide context and a deeper understanding of the issues of jurisdiction applicable law and recognition of judgements covered

Commentaries on European Contract Laws 2022-06-30

the book provides rule by rule commentaries on european contract law general contract law consumer contract law the law of sale and related services dealing with its modern manifestations as well as its historical and comparative foundations after the collapse of the european commission s plans to codify european contract law it is timely to reflect on what has been achieved over the past three to four decades and for an assessment of the current situation in particular the production of a bewildering number of reference texts has contributed to a complex picture of european contract laws rather than a european contract law the present book adopts a broad perspective and an integrative approach all relevant reference texts from the cisg to the draft common european sales law are critically examined and compared with each other as far as the *acquis communie* the traditional private law as laid down in the national codifications is concerned the principles of european contract law have been chosen as a point of departure the rules contained in that document have however been complemented with some chapters sections and individual provisions drawn from other sources primarily in order to account for the quickly growing *acquis communautaire* in the field of consumer contract law in addition the book ties the discussion concerning the reference texts back to the pertinent historical and comparative background and it thus investigates whether and to what extent these texts can be taken to be genuinely european in nature ie to constitute a manifestation of a common core of european contract law where this is not the case the question is asked whether and for what reasons they should be seen as points of departure for the further development of european contract law

The Madagascar Youths *2020-03-12*

in 1820 king radama of imerina madagascar signed a treaty allowing approximately one hundred young malagasy to train abroad under official british supervision the so called madagascar youths in this lively and carefully researched book gwyn campbell traces the youths untold history from the signing of the treaty to their eventual recall to madagascar extensive use of primary sources has enabled campbell to explore the madagascar youths experiences in britain mauritius and aboard british anti slave trade vessels and their instrumental role in the modernisation of madagascar through this remarkable history campbell examines how malagasy british relations developed then soured providing vital context to our understanding of slavery mission activity and british imperialism in the nineteenth century

Criminality at Work *2016-09-26*

from the master and servant legislation to the factories acts of the 19th century the criminal law has always had a vital yet normatively complex role in the regulation of work relations even in its earliest forms it operated both as a tool to repress collective organizations and enforce labour discipline while policing the worst excesses of industrial capitalism recently governments have begun to rediscover criminal law as a regulatory tool in a diverse set of areas related to labour law modern slavery penalizing irregular migrants licensing regimes for labour market intermediaries wage theft supporting the enforcement of general labour standards new forms of hybrid preventive orders harassment at work and industrial protest this volume explores the political and regulatory dimensions of the new criminality at work from a wide range of disciplinary perspectives including labour law immigration law and health and safety regulations the volume provides an overview of the regulatory terrain of criminality at work exploring whether these different regulatory interventions represent politically legitimate uses of the criminal law the book also examines whether these recent interventions constitute a new pattern of criminalization that operates in preventive mode and is based upon character and risk based forms of culpability the volume concludes by reflecting upon the general themes of criminality at work comparatively from australian canadian and us perspectives criminality at work is a timely rich and ambitious piece of scholarship that examines the many intersections between criminal law and work relations from a historical and contemporary vantage point

Compulsory Liability Insurance from a European Perspective

2017-05-01

statutory obligations to take out liability insurance are in practice the most important means to ensure compensability of damage arising from dangerous activities however in contrast to the significant practical impact academic research on the topic has not been extensive so far this study therefore undertakes a comprehensive survey of compulsory liability insurance from nine national perspectives austria belgium the czech republic finland germany hungary italy switzerland and the united kingdom and takes constitutional and european law four freedoms european convention on human rights as well as the principles of european insurance contract law peicl into account it also contains an extensive economic analysis of compulsory liability insurance and discusses aspects of insurability a comparative report conclusions and an annex containing a compilation of rules on compulsory liability insurance in the nine national legal systems complete the study it considers in particular the aims of provisions stating an obligation to take out liability insurance the mandatory content of insurance cover the protection mechanisms linked to compulsory liability insurance the control mechanisms and the sanctions imposed structural deficiencies of existing compulsory liability insurance systems

Inside the Mind of Marine Le Pen *2019-07-12*

what drives marine le pen and france s front national has her party really changed its ways or is she merely rebranding its old ideas and policies for a new era in the age of brexit and trump france too has seen a growing audience for identity based politics under marine the fn is enjoying unprecedented success but what s her secret this is a probing investigation into the philosophy of marine le pen s fn it seeks answers in her speeches in the history of french nationalism and in revealing interviews with those on the far right including jean marie le pen himself michel eltchaninoff exposes a vision of france tyrannized by liberalism and seduced by the offer of an uncompromising alternative a republic beyond left and right defined by its enemies and aligned with putin s russia whatever marine le pen is thinking she has not forgotten the fn s roots the french far right is now stronger than ever

a user's guide to patents fifth edition provides guidance on the areas of european and uk patent law and procedure that are most important in day to day practice this new edition sets out how patents can be obtained exploited and enforced and addresses wider public policy aspects of patents and their economic significance as well as past and likely future trends that affect legal practitioners it is essential reading for ip practitioners solicitors and barristers patent attorneys in house lawyers management executives and inventors unique selling points explains how patents can be exploited and enforced by reference to the most recent uk and epo case law identifies and discusses the different patent law issues that can arise in specific industrial sectors full tabulation of all english patent validity and infringement decisions given after full trial since 1997 addresses wider public policy aspects of patents and their economic significance as well as past and likely future trends in the field both in europe and internationally the following relevant developments are included the new uk law as to infringement by equivalents following *actavis v lilly uksc 2017* the degree to which new types of plant produced by using certain modern biotechnological techniques can be patented in the light of the exclusion for products obtained by essentially biological processes and the ongoing controversy as to this between the epo the epo boards of appeal and the eu the developing case law in the uk and the epo on plausibility in the context of insufficiency and obviousness the unjustified threats act 2017 and other procedural developments such as those involving arrow type declarations of obviousness developments in standards related patent litigation as in *unwired planet v huawei patents court 2017 ca 2018*

Citizenship after Orientalism *2013-02-21*

this edited volume presents a critique of citizenship as exclusively and even originally a european or western institution it explores the ways in which we may begin to think differently about citizenship as political subjectivity

Selected Papers from SinFonIJA 3 *2013-03-07*

the present volume is a selection of papers presented at the sinfonija 3 conference held at the university

of novi sad in october 2010 a wide range of linguistics related topics were covered at this event and the selection before you represents the variety and quality of research the editors wish to promote it aims to uphold sound linguistic theorizing as the basis of natural language analysis and cutting edge applied linguistics concerns among the novel linguistic topics in the fields of syntax phonology semantics and natural language processing the book includes re analyses of negative imperatives constructions with multiple occurrences of the semantically interdependent indefinite expressions future constructions verbal categories demonstrative reinforcers word order and clitic doubling control constituents non final information focus clitic placement named entity recognition prosody prediction in speech synthesis and covers data from various languages including english polish turkic bulgarian slovenian serbian and others in addition the research presented here shows why the assumptions regarding the interfaces of these domains which we often take for granted require solid empirical grounding

Russian Thinkers *2013-07-25*

few if any english language critics have written as perceptively as isaiah berlin about russian thought and culture russian thinkers is his unique meditation on the impact that russia s outstanding writers and philosophers had on its culture in addition to tolstoy s philosophy of history which he addresses in his most famous essay the hedgehog and the fox berlin considers the social and political circumstances that produced such men as Herzen Bakunin Turgenev Belinsky and others of the Russian intelligentsia who made up as berlin describes the largest single Russian contribution to social change in the world

Move Along, Please *2013-06-28*

at 10 41am on a tuesday morning in september mark mason boards the number 1a bus at land s end in Cornwall forty six buses and eleven days later he disembarks at John O Groats in Scotland Move Along Please is his account of that gruelling 1100 mile odyssey a paint by bus numbers portrait of Britain along the way he visits everywhere from the village where the internet enters Britain to the urban sprawl of Birmingham inspiration for the two towers in Lord of the Rings he samples staples of the British diet from curry to the deep fried Mars bar and uncovers countless fascinating facts about his native land did you know for example that Crewe Alexandra football club is named after the wife of Edward VII that Loch Ness

could hold the water from all the lakes in england and wales or that there is a village which rejoices in the name tongue end set against the backdrop of 2000 years of history and with a full supporting cast drawn from that most unusual of species the great british public this is the unmissable story of a man rediscovering his nation in all its idiosyncratic glory

The World of Private Banking *2017-09-28*

this is a full and authoritative account of the history of private banking beginning with its development in conjunction with the world markets served by and centred on a few european cities notably amsterdam and london these banks were usually partnerships a form of organization which persisted as the role of private banking changed in response to the political and economic transformations of the late 18th and early 19th centuries it was in this period and the succeeding golden age of private banking from 1815 to the 1870s that many of the great names this book treats rose to fame baring rothschild mallet and hottinger became synonymous with wealth and economic power as german french and the remarkably long lasting geneva banks flourished and expanded the last parts of this study detail the way in which private banking adapted to the age of the corporate economy from the 1870s to the 1930s the decline during and after the great depression and the post war renaissance it concludes with an appraisal of the causes and consequences of the modern expansion of private banking no longer the exclusive preserve of partnerships the management of investment portfolios of wealthy individuals and institutions is now a major concern of international joint stock banks

Judicial Dissent in European Constitutional Courts *2014-04-17*

dissent in courts has always existed it is natural and healthy that judges disagree on legal issues of a certain importance and difficulty the question is if it is reasonable to conceal dissent not every legal system allows judges to explain their disagreement to the public in a separate opinion attached to the judgment of the court most constitutional courts do this book presents a comparative analysis of the practice of judicial dissent in constitutional courts from the perspective of the civil law tradition it discusses the theoretical background presents the history of the institution and today s practice thus laying down the basis for an accurate consideration of the phenomenon from a legal perspective

Lanterne Rouge 2019-10-28

lanterne rouge french noun the competitor who finishes last in the tour de france froome wiggins merckx we know the winners of the tour de france but what about the men who finish last lanterne rouge tells the forgotten often inspirational and occasionally absurd stories of the last placed rider we learn of stage winners and former yellow jerseys who tasted life at the other end of the bunch the breakaway leader who stopped for a bottle of wine and then took a wrong turn the dooper whose drug cocktail accidentally slowed him down and the rider who was recognised as the most combative despite finishing at the back flipping the tour de france on its head and examines what these stories tell us about ourselves the 99 who don't win the trophy lantern rouge forces us to re-examine the meaning of success failure and the very nature of sport a lively account of largely forgotten men it's not easy to come up with an original angle on le tour but with this rear view leonard has managed the feat in style independent on sunday

Germany's New Partners

in the wake of the 2008 financial crisis germany became europe's most influential nation state this book aims to provide a comparative assessment of how this is reflected in the country's bilateral security relationships with key global and regional partners prepared by an international team of scholars it offers unique in-depth perspectives on the ways these evolving interactions affect the prospects for addressing recent and emerging security challenges
