How to Invest Today Lawrence Lynn,1995 Although there are many books on the complicated art of investment, most are either extremely sophisticated or focused toward a certain angle. This primer on contemporary investing fills an important niche, providing a general-purpose book on investment and money management.

How to Start Investing ARX Reads, Investing is a way to set aside money while you are busy with life and have that money work for you so that you can fully reap the rewards of your labor in the future. Legendary investor Warren Buffett defines investing as “the process of laying out money now in the expectation of receiving more money in the future.” The goal of investing is to put your money to work in one or more types of investment vehicles in the hopes of growing your money over time. Let’s say that you have \$1,000 set aside and are ready to enter the world of investing. Or maybe you only have an extra \$10 a week and you’d like to get into investing. In this article, we’ll walk you through getting started as an investor and show you how to maximize your returns while minimizing your costs.
