Children's Literature in Action Sylvia M. Vardell,2019-06-14 This practitioner-oriented introduction to literature for children ages 5-12 covers the latest trends, titles, and tools for choosing the best books and materials as well as for planning fun and effective programs and activities. The third edition of Children's Literature in Action provides an activity-oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian, with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature-based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics, and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion, and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.

Language Arts Pamela J. Farris,Donna E. Werderich,2019-01-08 From the first edition to the latest, Language Arts: Process, Product and Assessment for Diverse Classrooms has presented sound language arts theory and methodology in a nonthreatening, straightforward manner at a reasonable price. Coverage focuses on the 2017 Standards for Literacy Professionals. Each chapter identifies and addresses the standards applicable to that chapter's topics. Farris and Werderich

infuse their foundational guidelines with the latest research, teaching practices, and assessment and evaluation techniques. Ideas for lesson plans, use of technological applications, internet resources, and comprehensive, up-to-date listings of children's, young adult, and multicultural fiction and nonfiction titles are among the text's outstanding features. Other features geared expressly for pre- and inservice teachers include:

- Engaging, real-life classroom anecdotes
- Instructional activities for reading, writing, listening, speaking, viewing, and visually representing
- Boxes containing teaching hints and mini lessons
- Section on Response to Intervention (RtI) with the various tiers of intervention
- Theories, instruction, and teaching activities for English language learners (ELLs)
- Guidelines to meet the needs of special needs learners
- Suggestions for literacy-based interdisciplinary instruction (including STEM and STEAM)
- Examples of children's work to help readers understand what to expect from different ages and ability levels
- Questions and assignments to strengthen readers' aptitude, awareness, and application of topics to real life

Tapping into the Skills of 21st-Century School Librarians Audrey P. Church, 2015-12-28 Strong school librarians positively impact student learning, and principal support is key. This concise handbook provides an overview of the roles of the 21st-century school librarian—teacher, instructional partner, information specialist, instructional leader, and program administrator. A valuable and informative resource, it gives principals the information they need to know in order to utilize the library program and librarian to the fullest potential to contribute to the instructional program of the school.

Travel the Globe Desiree Webber, Dee Ann Corn, Elaine R. Harrod, Sandy Shropshire, Shereen Rasor, Donna Norvell, 2012-12-12 This book assists the busy professional with ready-to-use materials to present entertaining, educational, and age-appropriate programs that introduce young learners to countries and cultures around the world. The result of a collaboration of children's librarians and educators with over 70 years' combined experience, *Travel the Globe: Story Times, Activities, and Crafts for Children, Second Edition* offers the busy librarian, teacher, or media specialist with ready-to-use resources that introduce children to countries and cultures around the world. It provides recommended books, stories, action rhymes, fingerplays, games, and activities that can be used to plan a series of programs or a single activity that are both entertaining and educational. The book is organized alphabetically by country, with simple, low-cost craft ideas included in each chapter. All crafts use low-cost supplies and are simple to prepare and execute. At least two craft projects are included in each chapter: one for preschoolers, with suggestions for additional simplification; and another designed for children in kindergarten through third grade. The wide variety of resources within makes this book a valuable investment, as it will be useful year after year with new presentations and activities.
