## Renee Carlino

**Before We Were Strangers** Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

**After the Rain** Renée Carlino, 2014-11-11 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a deeply emotional contemporary romance about the second chances waiting beyond the shattered dreams of youth. When eighteen-year-old Avelina Belo meets a charismatic cowboy the summer before her senior year of high school, she doesn’t know that accepting his invitation to dinner will lead to a whirlwind marriage three months later and an exciting new life on a Montana ranch. She also doesn’t know that, in a few short years, fate will send everything crashing down around her. A thousand miles away and fresh out of medical school, Nate Meyers is poised to become UCLA’s next superstar heart surgeon. His laser focus is the key to his success, but it’s also his greatest liability. When a routine surgery ends in disaster, derailing his career, he’s confronted with the hard truth: there’s no one waiting for him at home, no one to help him pick up the pieces. Regrouping on his uncle’s Montana ranch, Nate meets Avelina, a beautiful but mysterious young woman

who keeps to herself and barely speaks a word. As he discovers the details of her devastating past, Avelina teaches him more about matters of the heart than he ever knew before. But can they trust each other enough to put everything on the line?
