

# DOCthe National Parks Americas Best Idea Dayton Duncan

## Ying-Ying Zheng

*The National Parks* Dayton Duncan, Ken Burns, 2009-09-08 The companion volume to the twelve-hour PBS series from the acclaimed filmmaker behind *The Civil War*, *Baseball*, and *The War*. America's national parks spring from an idea as radical as the Declaration of Independence: that the nation's most magnificent and sacred places should be preserved, not for royalty or the rich, but for everyone. In this evocative and lavishly illustrated narrative, Ken Burns and Dayton Duncan delve into the history of the park idea, from the first sighting by white men in 1851 of the valley that would become Yosemite and the creation of the world's first national park at Yellowstone in 1872, through the most recent additions to a system that now encompasses nearly four hundred sites and 84 million acres. The authors recount the adventures, mythmaking, and intense political battles behind the evolution of the park system, and the enduring ideals that fostered its growth. They capture the importance and splendors of the individual parks: from Haleakala in Hawaii to Acadia in Maine, from Denali in Alaska to the Everglades in Florida, from Glacier in Montana to Big Bend in Texas. And they introduce us to a diverse cast of compelling characters—both unsung heroes and famous figures such as John Muir, Theodore Roosevelt, and Ansel Adams—who have been transformed by these special places and committed themselves to saving them from destruction so that the rest of us could be transformed as well. *The National Parks* is a glorious celebration of an essential expression of American democracy.

**Prairie Fires** Caroline Fraser, 2017-11-23 WINNER OF THE PULITZER PRIZE WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD SHORTLISTED FOR THE CUNDILL HISTORY PRIZE 'Just as gripping as the original novels . . . As pacy and vivid as one of Wilder's own narratives, this surprising biography is immensely revealing both about Wilder and about America's founding myths' *Sunday Times* 'Little House devotees will appreciate the extraordinary care and energy Fraser devotes to uncovering the details of a life that has been expertly veiled by myth' *New York Times Book Review* Millions of readers of the 'Little House' books believe they know Laura Ingalls Wilder - the pioneer girl who survived blizzards and near-starvation on the Great Plains as her family chased their American dream. But the true story of her life has never been fully told. Drawing on unpublished manuscripts, letters, diaries and public records, Caroline Fraser masterfully fills in the gaps in Wilder's biography, uncovering the grown-up story behind the best-loved childhood epic of

pioneer life. Set against nearly a century of unimaginable change, from the Homestead Act and the Indian Wars to the Dust Bowl and the Great Depression, Wilder's life was full of drama and adversity. Settling on the frontier amid land-rush speculation, her family endured Biblical tribulations of locusts and drought, poverty and want, before she left at the age of eighteen to marry Almanzo. This is where the books end, but there is so much more to tell; deep in debt after a series of personal tragedies, Laura and Almanzo uprooted themselves once again, crisscrossing the country, taking menial jobs to support the family. In middle age, she began writing a farm advice column, prodded by her journalist daughter Rose. And at the age of sixty, fearing the loss of almost everything in the Depression, she turned to children's books, recasting her extraordinarily difficult childhood as a triumphal vision of homesteading - achieving fame and fortune in the process. Laura Ingalls Wilder's life is one of the most astonishing rags-to-riches stories in American letters. Offering fresh insight and new discoveries, *Prairie Fires* reveals the complex woman who defined the American pioneer character, and whose artful blend of fact and fiction grips us to this day.

Where the Water Goes David Owen, 2017-04-11 “Wonderfully written...Mr. Owen writes about water, but in these polarized times the lessons he shares spill into other arenas. The world of water rights and wrongs along the Colorado River offers hope for other problems.” —Wall Street Journal An eye-opening account of where our water comes from and where it all goes. The Colorado River is an essential resource for a surprisingly large part of the United States, and every gallon that flows down it is owned or claimed by someone. David Owen traces all that water from the Colorado’s headwaters to its parched terminus, once a verdant wetland but now a million-acre desert. He takes readers on an adventure downriver, along a labyrinth of waterways, reservoirs, power plants, farms, fracking sites, ghost towns, and RV parks, to the spot near the U.S.-Mexico border where the river runs dry. Water problems in the western United States can seem tantalizingly easy to solve: just turn off the fountains at the Bellagio, stop selling hay to China, ban golf, cut down the almond trees, and kill all the lawyers. But a closer look reveals a vast man-made ecosystem that is far more complex and more interesting than the headlines let on. The story Owen tells in *Where the Water Goes* is crucial to our future: how a patchwork of engineering marvels, byzantine legal agreements, aging infrastructure, and neighborly cooperation enables life to flourish in the desert—and the disastrous consequences we face when any part of this tenuous system fails.

**The National Parks** Dayton Duncan, In this evocative and lavishly illustrated narrative, Ken Burns and Dayton Duncan delve into the history of the park idea, from the first sighting by white men in 1851 of the valley that would become Yosemite and the creation of the world's first national park at Yellowstone in 1872, through the most recent additions to a system that now encompasses nearly four hundred sites and 84 million acres.

### **DOCThe National Parks Americas Best Idea Dayton Duncan Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites

and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading DOCthe National Parks Americas Best Idea Dayton Duncan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading DOCthe National Parks Americas Best Idea Dayton Duncan free PDF files of magazines, brochures, and

catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading DOCthe National Parks Americas Best Idea Dayton Duncan free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading DOCthe National Parks Americas Best Idea Dayton Duncan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading DOCthe National Parks Americas Best Idea Dayton Duncan any PDF files. With these platforms, the world of PDF downloads is just a click away.

**FAQs About DOCthe National Parks Americas Best Idea Dayton Duncan Books**

1. Where can I buy DOCthe National Parks Americas Best Idea Dayton Duncan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a DOCthe National Parks Americas Best Idea Dayton Duncan book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
