inventive piece is probably laymon s best book yet the prose here is rich and inventive the atmosphere and scene setting handled with real aplomb news international it s a hot august morning in 1963 all over the rural town of grandville tacked to power poles and trees taped to store windows flyers have appeared announcing the one night only performance of the travelling vampire show the promised highlight of the show is the gorgeous valeria the only living vampire in captivity for three local teenagers two boys and a girl this is a show they can t miss even though the flyers say no one under eighteen will be admitted they re determined to find a way what follows is a story of friendship and courage temptation and terror when three friends go where they shouldn t go and find much more than they ever expected what readers are saying about the travelling vampire show the final scenes are filled with excitement and were enough to keep me awake until i d finished the story i don t think i could have put it down until i d found out what happened and what was going on just when you think that you have the storyline figured out it twists and hurtles into a surprise ending expertly written great dialogue keeps you engrossed to the end a series of weird experiments at some secret laboratories unleash terrors on an unsuspecting world the terrifying novel beware by richard laymon is a masterclass in gore horror and terror perfect for fans of stephen king and clive barker the supermarket shouldn t have been shut it wasn t normal for elsie to quit early but then it wasn t normal for a meat cleaver to fly through the air by itself or for a guard dog locked in overnight to end up as hamburger meat or for elsie herself to feature on the butcher s slab neatly wrapped and jointed there s weird things happening in the town of oasis and certain folks like hotshot local reporter lacey allen had better beware what readers are saying about beware another excellent book by laymon just when you think you have got it sussed he surprises you again if you want on the edge of your seat excitement then don t miss this he is descriptive and exciting and wastes no time getting to the point if you want a no nonsense straight to the point blood curdling horror read laymon i love this book mystery witchcraft murder intrigue brilliant horrific events have made the beast house infamous do you dare to enter for the first time in one edition read all four of richard laymon s terrifying gruesome and acclaimed beast house horror novels the deeper you go into the beast house the darker the nightmares become if you have nerves of steel and are looking for excitement and adventure why not take the tour but don t even think about going into the cellar what readers are saying about the beast house chronicles dark disturbing and completely unforgiving just how horror should be a tale of bizarre almost comic book like tongue in cheek horror the best book i have read in such a long time an ouija board s messages lead to danger suspense and death darkness tell us is a gruesome horror novel from the hugely popular richard laymon in the bestselling tradition of dean koontz and stephen king at a party six college kids play with an ouija board that same one that professor dalton swore never to touch again not after jake s death and now a spirit is telling the students about a vast fortune hidden in the mountains but surely they won t be stupid enough to head off into the wilderness on the say so of a toy would they what readers are saying about darkness tell us this book was a brilliant addictive and fast paced read i was completely hooked by the plot which instantly grabbed my attention this book really catches your attention and if you love horror seduction and suspense mixed together with a twist you really will love this book when i was reading this book i was completely drawn in by the story the twists the adventure everything flesh no one in town has ever seen anything like it a slimy mobile tube of glistening yellow flesh with dull staring eyes and an obscene probing mouth but the real horror is not what it looks like or what it does when it invades your flesh but what it makes you do to others an old acquaintance has
