Love and Other Natural Disasters

2009-01-08

the witty yet poignant story of a woman in her early thirties who discovers that her seemingly devoted husband has been having an emotional affair for the past year eve is eight months pregnant and in the middle of a thanksgiving celebration when she discovers that her husband jonathan has developed an intimate relationship with a woman over the past year jonathon asserts his innocence an affair involves physical intimacy and he didn t have any while eve feels deeply betrayed by the emotional connection he shared with someone else what jon has done seems so terrifyingly out of character that eve finds herself questioning her entire reality did she ever really know jon at all was their happiness together a lie is emotional intimacy more forgivable than sexual intimacy and can their marriage survive

I Love My Natural Hair

2013-12-13

this book journeys a young girl learning to embrace her many textures and layers presented in the form of hair i love my natural hair is to encourage girls to be proud of themselves no matter what texture they have

The Natural Philosophy of Love

2017-09-15

the natural philosophy of love is an exploration of the prodigious sexual mores of nature s creations translated with a postscript by ezra pound remy de gourmont s essay on sexual instinct surveys the entire animal kingdom describing the hermaphroditism of oysters the cannibalistic amours of spiders and many more curious natural phenomena blending zoology poetry and philosophy the author s subversive erudition casts a dubious glance at anthropocentric morality finding there is no lewdness which has not its normal type in nature

Love One Another

1995

what does it mean to love someone what does the concept of human dignity mean and what are its consequences what marks the end of a person s life is personhood more than consciousness these perplexing questions lurk beneath the surface of everyday life surfacing only to demand urgent attention in crises renowned german philosopher robert spaemann addresses these and other foundational enigmas in three eloquent short essays speaking wisdom to controversy he offers carefully considered novel approaches to key philosophical and theological questions about the nature of human love the paradoxes of love dignity human dignity and human nature and death is brain death the death of a human person

Love and the Dignity of Human Life

2012-01-09

swedenborg experienced dreams and visions in which he was appointed by the lord to write a heavenly doctrine to reform christianity he claimed that the lord had opened his eyes so that he could freely visit heaven and hell and talk with angels demons and other spirits his best known book is heaven and hell the destruction of the world is not meant by the day of the last judgment those who have not known the spiritual sense of the word have understood that everything in the visible world will be destroyed in the day of the last judgment for it is said that heaven and earth are then to perish and that god will create a new heaven and a new earth here are all three of his last judgment books last judgment last judgment continued and last judgment posthumous

The Shaker

1871

for fans of elizabeth gilbert s the signature of all things the dictionary of lost words the natural history of love is based upon the true story of 19th century french explorer naturalist and diplomat the count de castelnau and his lover madame fone eca a sweeping historical narrative set in the wilds of brazil salons of paris and the early days of melbourne s settlement when melbourne lawyer nathan smithson takes on the case of mad wealthy edward fone eca s inheritance trial against his ruthless brother in 1902 he must unearth long buried family secrets to have any chance of winning brazil 1852 fran ois the count de castelnau and french consul to bahia falls dangerously ill on a naturalist expedition and is delivered by a tupi indian to the fone eca household carolina fone eca is 16 years old and longing to leave the confines of her family s remote brazilian sugar plantation with a head full of balzac and dreams of parisian life she is instantly beguiled by the middle aged frenchman what carolina doesn t know is that fran ois has a wife and son back in france desperate for a new life she makes a decision that will haunt her forever

my whole life i wanted one thing to be the perfect son growing up i did everything my father required straight a s in school perfect manners i forced myself to live up to his standards standards that pushed the chadwick family name to the highest rungs of society over the years we climbed so high that my father hoped we d never fall if only he d been right with each successful year the chadwick family skeletons grew bolder and darker every lie threatened to undo us the secret avery jackson and i shared was the worst one of all she was the one person i shouldn t love the one person i couldn t love but i did i loved avery jackson i wanted her even though a romance with her threatened everything it all felt so natural and that was exactly the problem

The True Life

1890

mya age 4 is the voice behind the vision i love my natural hair was created to help young girls at the earliest age possible begin to develop a love for their natural hair we firmly believe that children are perfect in their natural form no alterations needed be you be yourself believe in yourself your hair is your crown

The Expository Times

1894

human influences create both environmental problems and barriers to effective policy aimed at addressing those problems in effect environmental managers manage people as much as they manage the environment therefore they must gain an understanding of the psychological and sociopolitical dimensions of environmental problems that they are attempting to resolve in environmental problem solving alan miller reappraises conventional analyses of environmental problems using lessons from the psychosocial disciplines he combines the disciplines of ecology political sociology and psychology to produce a more adaptive approach to problem solving that is specifically geared toward the environmetal field numerous case studies demonstrate the practical application of theory in a way that is useful to technical and scientific professionals as well as to policy makers and planners alan miller is professor of psychology at the university of new brunswick

The Teachings of Emanuel Swedenborg: Vol III

2016-10-20

love is as natural as a chicken wing simple understanding of basic physics of thought and emotions leads us to love throw in some subjective facts and think love and love appears viewing mental images you ask for are the same images and feelings that christ was speaking and preaching about i know most christians never talk about love in this way today s christians they mostly talk about how guilty we are etc but that misses the point of christ and his teachings love was and is christ only teachings and these teachings are learn able traits that christ wanted us to follow in order to get correctly aligned with god our designer my books will help you achieve a foothold into the love consciousness of christ worth the read open thy mind screen you heart is calling you to love christ consciousness spoken here christ pathway of love awaits you
