The Handbook of International Adoption Medicine

2004-12-16

since 1989 american families have adopted more than 230 000 children
from other countries many of these children have lived in crowded
conditions sometimes with poor standards of hygiene inadequate
nutrition and limited numbers of caregivers some suffer from endemic
infectious diseases upon arrival practitioners often fail to recognize
the unique concerns of this group this text provides an overview of
the specialized medical and developmental issues that affect
internationally adopted children offering guidelines to the physicians
caring for these children and their families before during and after
adoption the reader will learn how to advise families prior to an
international adoption how to perform an effective initial screening
assessment of the newly arrived child and how to recognize and manage
developmental and other more long term problems as they emerge

The Other Mary Shelley

1993-07-08

although frankenstein is now widely taught in classes on romanticism
little attention has been paid to the considerable corpus of mary
shelley s other works indeed the excitement of the last decade at
feminist approaches to frankenstein has ironically obscured the
persona of its author this collection of essays written by a
preeminent group of romantic scholars sketches a portrait of the other
mary shelley the writer and intellectual who recognized the turbulent
interplay among issues of family gender and society and whose writings
resonate strongly in the setting of contemporary politics culture and
feminism by analyzing a previously neglected body of novels novellas
reviews travel writing essays letters biographies and tales and by
emphasizing mary shelley s shrewd assessment of romanticism the essays
in this volume offer a ground breaking evaluation of one of the
foremost cultural critics of the nineteenth century

a comprehensive overview for professionals working with traumatized children which outlines the theory and practice of life story therapy a method which helps children and cares to question and resolve issues and events within a child s life

The Playfulness of Gerard Manley Hopkins

2016-03-03

renowned hopkins expert joseph j feeney sj offers a fresh take on gerard manley hopkins which shakes our understanding of his poetry and his life and points towards the next phase in hopkins studies while affirming the received view of hopkins as a major poet of nature religion and psychology feeney finds a pervasive rarely noticed playfulness by employing both the theory of play and close reading of his texts this new hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies comic verse and satires as a jesuit who played and organized games and had a gift for mimicry and most significantly as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity even strikingly in the wreck of the deutschland the windhover and the terrible sonnets feeney convincingly argues that hopkins s distinctive playfulness is inextricably bound to his sense of fun his creativity his style and his competitiveness with other poets in unexpected images quirky metaphors strange perspectives puns coinages twisted syntax wordmusic and sprung rhythm we see his playful streak burst forth to adorn those works critics consider his most brilliant no one who absorbs this book s radical readings will ever see and hear hopkins s poetry and prose quite the way they used to

seeking sicily a cultural journey through myth and reality in the heart of
for more than 20 years crafts and creative media in therapy fifth
mediterranean john keahey
edition has been an illuminating reference for the use of creative
approaches in helping clients achieve their therapeutic goals carol
crellin tubbs has included a range of craft and creative activity
categories from paper crafts to cooking to the use of recycled
materials and everything in between each chapter includes a brief
history of the craft several projects along with suggestions for
grading or adapting examples of related documentation and a short case
study the text also features chapters on activity analysis general
strategies for implementation of creative activities and documentation
as well as a chapter describing the relevance of this media from both
historical and current occupation based perspectives in this updated
fifth edition the craft projects have been updated and numerous
resources and links for more ideas have been added there are new
chapters on making therapy tools and crafting with a purpose and the
recycled and found materials chapter has been expanded in keeping with
cultural trends a flow chart has been added to each case study to help
students better understand the process and rationale for tailoring
activities for individual client needs and project suggestions for
working on specific performance skills or client factors are scattered
throughout the chapters other additions include a behavioral
observation checklist as an aid in evaluation and documentation and
several illustrations to help students distinguish between the use of
occupation as means and occupation as end this fifth edition also
includes an updated instructors manual with additional resources and
suggestions for lesson planning crafts and creative media in therapy
fifth edition not only provides a wide assortment of craft ideas and
instructions but also provides multiple suggestions for therapeutic
uses for activities in each category it includes ways to grade
activities to best achieve therapy objectives and examples of
documentation for reimbursement for each craft category there is
discussion on precautions for use with certain populations contextual
limitations and safety considerations information is presented in
several different formats such as examples tables illustrations and
other formats to promote student understanding included with the text
are online supplemental materials for faculty use in the classroom
crafts and creative media in therapy fifth edition is the foremost
resource for using creative approaches in helping clients achieve
their therapeutic goals and should be used by all occupational
therapists occupational therapy assistants and recreational therapists

seeking sicily a cultural journey through myth and reality in the heart of
creative inspiration building on recent scholarship about mediterranean john keahey
~~improvisational poetics the subversive potential of mesmerism and~~
medusa as a feminist icon this work suggests that the mesmeric medusan
muse not only enables creativity for women writers but also provides a
mirror in which they view and through which they give voice to their
own societal oppression the mesmeric medusan muse in romantic era
literature from the ancient mariner and the frankenstein monster to
the tragic abandoned sapphic poetess often represents the face of
oppression an unwelcome and monstrous truth in nineteenth century
british society for women writers in particular braving the stare of
the medusan muse enhances empathy and therefore inspiration and
literary productivity
