**Ezra Pound and the Spanish World** Viorica Patea, John Gery, Walter Baumann, 2024-04-26 This collection offers for the first time criticism, biographical essays, analysis, translation studies, and reminiscences of Ezra Pound's extensive interaction with Spain and Spanish culture, from his earliest visits to Spain in 1902 and 1906 and his study of significant Spanish writers to the dedication of the first monument erected anywhere to Pound in the small Spanish village of Medinaceli in 1973. Divided into two sections, Part One: "ON EZRA POUND AND THE SPANISH WORLD" includes a general introduction on Pound's lifelong involvement with Spain, together with chapters on Pound's study of classical Spanish literature, the Spanish dimension in The Cantos, Pound's contemporary Spanish connections, and his legacy in contemporary Spanish letters. Part Two: "EZRA POUND AND THE SPANISH WORLD: A READER," then gathers for the first time Pound's own writings (postcards, letters, and essays) concerning Spain and Spanish writers, as well as his correspondence with Spanish poets Miguel de Unamuno and Juan Ramón Jiménez and with José Vázquez Amaral, the first Spanish translator of The Cantos in its entirety. The volume includes reminiscences by Spanish Novísimos poets, Antonio Colinas and Jaime Siles, written explicitly for this collection. Besides providing a thorough exploration into Pound's engagement with Spain, this volume pays homage to Pound's considerable influence on Spanish culture.

**Judeo-Spanish and the Making of a Community** Bryan Kirschen, 2015-09-04 Judeo-Spanish and the Making of a Community brings together scholars and activists from around the world, all of whom have participated in and presented original research at the annual uCLADINO Judeo-Spanish Symposia. This collection addresses a number of linguistic,

historical, and cultural matters pertinent to the Sephardim in different lands from the fifteenth century to the present day. Essays in this volume reveal how Sephardim from various parts of the world - Turkey, the Balkans, Morocco, and the United States - culturally and linguistically position themselves among each other, among other Jews, and among their non-Jewish co-regionalists. Contributors explore how the rich history of the Sephardim has allowed for the development, maintenance, endangerment, and even revitalization of the Judeo-Spanish language(s).

*Language for Specific Purposes* Mary K. Long, 2017 In the United States today there is lively discussion, both among

educators and employers, about the best way to prepare students with high-level language and cross-cultural communication proficiency that will serve them both professionally and personally in the global environment of the twenty-first century. At the same time, courses in business language and medical language have become more popular among students. Language for Specific Purposes (LSP), which encompasses these kinds of courses, responds to this discussion and provides curricular models for language programs that build practical language skills specific to a profession or field. Contributions in the book reinforce those models with national survey results, demonstrating the demand for and benefits of LSP instruction. With ten original research-based chapters, this volume will be of interest to high school and university language educators, program directors, linguists, and anyone looking to design LSP courses or programs in any world language.
