The Samsons F. Sionil José,2013-03-20 With these two passionate, vividly realistic novels, *The Pretenders* and *Mass*, F. Sionil José concludes his epochal Rosales Saga. The five volumes span much of the turbulent modern history of the Philippines, a beautiful and embattled nation once occupied by the Spanish, overrun by the Japanese, and dominated by the United States. The portraits painted in *The Samsons*, and in the previously published Modern Library paperback editions of *Dusk* and *Don Vicente* (containing *Tree* and *My Brother, My Executioner*), are vivid renderings of one family from the village of Rosales who contend with the forces of oppression and human nature. Antonio Samson of *The Pretenders* is ambitious, educated, and torn by conflicting ideas of revolution. He marries well, which leads to his eventual downfall. In *Mass*, Pepe Samson, the bastard son of Antonio, is also ambitious, but in different ways. He comes to Manila mainly to satisfy his appetites, and after adventures erotic and economic, finds his life taking a surprising turn. Together, these novels form a portrait of a village and a nation, and conclude one of the masterpieces of Southeast Asian literature.

Dusk F. Sionil José,2013-03-20 With *Dusk* (originally published in the Philippines as *Po-on*), F. Sionil Jose begins his five-novel Rosales Saga, which the poet and critic Ricaredo Demetillo called the first great Filipino novels written in English. Set in the 1880s, *Dusk* records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin American literature. The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer.--Ian Buruma, *New York Review of Books* Tolstoy himself, not to mention Italo Svevo, would envy the author of this story.--Chicago Tribune

Don Vicente F. Sionil José,2013-03-20 Written in elegant and precise prose, *Don Vicente* contains two novels in F. Sionil

José's classic Rosales Saga. The saga, begun in José's novel *Dusk*, traces the life of one family, and that of their rural town of Rosales, from the Philippine revolution against Spain through the arrival of the Americans to, ultimately, the Marcos dictatorship. The first novel here, *Tree*, is told by the loving but uneasy son of a land overseer. It is the story of one young man's search for parental love and for his place in a society with rigid class structures. The tree of the title is a symbol of the hopes and dreams--too often dashed--of the Filipino people. The second novel, *My Brother, My Executioner*, follows the misfortunes of two brothers, one the editor of a radical magazine who is tempted by the luxury of the city, the other an activist who is prepared to confront all of his enemies, real or imagined. The critic I. R. Cruz called it a masterly symphony of injustice, women, sex, and suicide. Together in *Don Vicente*, they form the second volume of the five-novel Rosales Saga, an epic the *Chicago Tribune* has called a masterpiece.

Frankie Sionil José Edwin Thumboo, 2005 Frankie Sionil José of the Philippines is among Asia's leading fictionist. In a career spanning more than half a century that included editing *Solidarity*, which promotes writing in and about Southeast Asia, he has produced a remarkable body of fiction. Apart from winning various prizes, he was a Ramon Magsaysay awardee (1980) and a National Artist for Literature (2001). This tribute, in commemoration of José's 80th birthday, brings together reminiscences, poems, a substantial number of essays, all published for the first time. The comprehensive bibliography is indispensable to all who wish to study his work. By leading scholars of Filipino literature, the essays examine such themes as nation, history and society in José's works, and his use of English, of myth, through an examination of single or groups of texts of which the quintet that form the Rosales Saga is the most notable. They provide a challenging explication and assessment that, together with the other contributions, make the volume an authoritative, stimulating introduction to José, and to Filipino and Asian literature in English(es). It should be in all major libraries.

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 *Post-Colonial Literatures in English*, together with *English Literature and American Literature*, form one of the three major groupings of

literature in English, and, as such, are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes, this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide.
